MEMORANDUM FOR: Executive Officer to the DDA

FROM:

STAT

Director of Information Services

SUBJECT: Factor Support Packages--Phase II

REFERENCE: Your multiple addressee memorandum dated  
1 March 1982; Same Subject (DDA 82-0436/3)

1. The Office of Information Services has reviewed its initial submission of the impact support resources which we would need to support New Initiatives generated by other Directorates. If this Office were required to augment existing facilities because of the additional new positions in the DDI or DDS&T or if we had to establish a new registry in an additional new facility of 10,000 square feet, the positions and funds required would be as originally submitted.

2. Attached is the justification for the positions, personnel services funds, and non-personnel services funds which would be required under the New Initiatives.

Attachment:  
As stated
